MESSAGES FROM THE CO-PRESIDENTS

The May 15th annual meeting brought changes in leadership for LWVLA; the messages below reflect those changes.

A thank-you from Beth Moore:

Camilla Davis, the other half of the co-president team for the past four years, decided to step down but is still devoting considerable time in support of the League. We all appreciate the wonderful organizational skills and friendly approach that Camilla brought to the role. Camilla will continue to format the Voter and also will be helping with membership responsibilities. We wish Camilla and Gary terrific adventures in this next phase, minus all of the League demands.

I am remaining in the co-president role only for one more year, to make the transition through the election. Margo Smith is serving as the other co-president.

A Message from Camilla Davis:

It's been an honor to serve as co-president of LWVLA for the past four years. The opportunity to work with so many talented and exceptional people has been beyond expectation. Many thanks to members so willing to volunteer in support of League activities, to the LWVLA board for their dedication and thoughtfulness, and to Beth Moore for her commitment to working together to make this League grow and prosper. Best wishes to Margo and Beth as they begin this new chapter in LWVLA. As Beth mentioned in her message, I'll still be involved in League activities, helping in any way I can. I won't be disappearing from something that's been an important part of my life for the last four years

members to work at the polls on election-day as a way to learn more about the election process. Contact your local clerk for more information.

LWVLA LAUNCHES NEW EDUCATION WORK GROUP

League members interested in educational issues are encouraged to attend the first meeting of this new workgroup on Tuesday, July 25 at 5 PM at Grand Traverse Pie Company in East Lansing. The committee will explore League positions on education and consider issues that need attention. If you have questions or are interested in this committee, contact Jill Kroll, chairperson, at jck0120@gmail.com.

An Introduction from Margo Smith: Coming Full Circle

In Hilo, Hawaii, where I first joined the LWV, I worked on voter education, developing a workshop on education and advocacy. When we relocated to Michigan in the 1970s, I joined LWVLA and served as chair of the international relations committee, president, secretary, and now will serve as co-president. In early 2017, I retired from MSU College of Human Medicine where I directed programs in Service-Learning, Global Health, Graduate Studies, and was assistant director for the MD-PhD program. Previously, I worked as a legislative aide to former State House Representative Lynn Jondahl, 69th district. Now I will be coordinating the LWVLA Get-Out-the-Vote Campaign.

NEW BOARD WELCOMED

In addition to Margo, three new members were welcomed to the board: Sherri McConnell is the new secretary, Jill Kroll is the chairperson for the new education workgroup and Bob Miller joins the board in an at-large position. We also said farewell to Deanna Hanieski who had served on the board for a long time in many roles.

(A complete list of board members appears in the left column.)

LEAGUE OFFERS REDUCED MEMBERSHIP FEE FOR STUDENTS

The Lansing LWV board recently voted to set the annual dues at \$5 for students, following actions by the national and state LWV boards to eliminate Per Member Payments for students. A student is defined as an individual enrolled either full or part-time in an accredited institution. The minimum age for a voting membership is 16, according to the

LWVUS Bylaws.

COMMITTEE

This group is continuing to meet regularly to explore issues and examine resources. Two members, Marty Couretas and Melinda Frame, have authored a research-based paper for LWVMI titled "Gun Violence:

PETITIONS TURNED IN
TO SOS**

Boxes of signed petitions supporting the proposed constitutional amendment to make voting more convenient and accessible were presented to the Michigan Secretary of State on July 9. Members of the sponsoring coalition (ACLU, LWVMI and NAACP) thanked volunteers from throughout the state for collecting the 430,000 signatures and recognized that now the campaign to educate voters begins.

The Lansing Area League collected more than 800 signatures, thanks to a group of dedicated volunteers. Melinda Frame did a terrific job of keeping track of the petitions.

**LEAGUE REGISTERS
MORE THAN 2000 NEW
VOTERS**

Marilyn Wilson, Voter Service Chair reports: "We have had a very successful high school voter registration season, with 12 high schools participating, along with two successful drives at Peckham Industries, for a total of 483 newly registered voters. Twenty League members have worked at voter registration sites over the past three months." One of the high school students wrote to thank the League for helping him learn more about the electoral process and another wrote "thanks to the League for helping me in another step towards having my voice heard."

The newly registered high school students were asked for contact information and they will

The next meeting is August 11 at the East Lansing Library. For more information about this committee, please contact Marty Courtaes at couretam@comcast.net or 517-337-8165).

This summer, League volunteers have been working at the MSU Academic Orientation Program to register more than 1900 new voters, with another week remaining in the program. Volunteers mention how enthusiastic the students are about being registered. There will still be voter registration efforts through the summer and fall. If you are interested in helping, please contact Marilyn Wilson at wilsonmlwvla@gmail.com or 517-927-7164.

VOTE411 IS NOW ON-LINE

Lansing area voters can now access the League's on-line voter guide (www.VOTE411.org), containing biographical information about state and local candidates and their views on issues. Type in your address and see information on everything that is on your ballot, providing a handy reference for election-day. A recent Facebook exchange, answered a frustrated voter with a series of comments promoting the value of VOTE411. Tell your family, friends and colleagues about this important resource. Thanks to Anna Scott for working so diligently to get VOTE411 posted.

Help Wanted: League volunteers are needed in late August to call candidates and remind them that their VOTE411 information is due. Contact Beth Moore if you are available to help with this important task (mooreeee@msu.edu)

Margo Smith will be coordinating activities with League members and with leaders of organizations in the larger community who will be planning similar actions. The focus for the campaign is to talk with potential voters, answering questions about the mechanics of voting and adding personal encouragement about the importance of voting. One idea from NAACP is to enlist the help of churches in displaying information on their message boards about the last day to register to vote, and reminders to vote on Election Day. Margo says: "I did this with my church, and they will put up messages! Please consider asking your churches."

The League efforts are focused on both the primary and the general election. The voter turnout in primaries is typically below 20 percent of eligible voters and the campaign efforts are intended to increase those numbers. League volunteers will be at key locations in Lansing and East Lansing, handing out information about VOTE411 and answering questions about voting. This effort will take place daily from 11:00 AM - 1:30 PM. Monday-Friday, July 30 - August 7. The primary spots initially targeted for passing out the VOTE 411 cards include: 1)The MSU Campus: Footbridge between the Administration and Wells Hall; MSU Union; Brody Hall 2) Downtown Lansing: Washington Square and Allegan; Capitol and Allegan 3) East Lansing Public Library. Please contact Margo Smith if you are interested in helping with any of the Get-Out-the-Vote Activities: smithmk@msu.edu or 517-881-2836.

PROTECTING MICHIGAN'S WATER: TAKING ACTION

The Environmental Workgroup sponsored a well-attended public forum designed to provide information about ongoing challenges to the integrity of Michigan's precious waters and how individuals can become involved.

Speakers included Sean McBrearty of Oil and Water Don't Mix, discussing the dangers posed by Line 5 (the pipeline under the Straits of Mackinac); Peggy Case of Citizens for Water Conservation, who spoke about both Nestle water extractions and the Flint water crisis; and Beth Rogers, an MSU Extension educator from Gratiot County who works with farmers on agricultural run-off issues.

Handouts on the above topics as well as information on PFAs (chemical water contaminants), neonicotinoids (insecticides suspected of harming bees), PAH contamination of driveway sealants, and legislation affecting our environment can be viewed on the web at:
